## FEE-HELP/VET Student Loans

FEE-HELP and VET Student Loans are Commonwealth Higher Education Loan Programs to assist eligible students pay their tuition and resource fees for higher level qualifications.

VET Student Loans will not be approved for students who do not meet eligibility requirements.

VET Student Loan generally applies to diplomas and advanced diplomas.

Qualifications for which a VET Student Loan may be available (subject to meeting eligibility) have VSL below the National ID in the course tables.

FEE-HELP applies to higher education qualifications, i.e. associate degrees and higher education diplomas.

You do not have to use a loan to pay your tuition fees. You can choose to pay all your tuition fees upfront, you can pay some of your tuition fees upfront and use a loan for the rest, or you can use a loan for all of your tuition fees (up to the capped limit for the course).

A VET Student Loan gives rise to a HELP debt that continues to be a debt due to the Commonwealth until it is repaid.

For more information and to check the estimated course fees, please visit [southmetrotafe.wa.edu.au](http://southmetrotafe.wa.edu.au).

## Recognition of Prior Learning (RPL)

(also known as Skills Recognition)

Do you already have professional skills and knowledge but lack the formal qualification?

RPL involves an assessment by a registered training organisation to evaluate whether your work experience meets current industry standards. RPL can save you time and money, eliminating the need to study what you already know. RPL assessors will also advise what training you need to undertake to complete a qualification.

To find out more, email [info@smtafe.wa.edu.au](mailto:info@smtafe.wa.edu.au) or phone on 1800 001 001.
