

UEPSS00002 High Risk Licensing - Licence to operate a steam turbine

National ID: UEPSS00002 | State ID: AB531

About this course

This unit covers the outcomes required to operate a steam turbine for licensing purposes. This unit requires the operator to plan the work, carry out preoperational safety checks, start the steam turbine, monitor steam turbine operation and shutdown the steam turbine. Theory is conducted over 5 days at ACEPT and a separate practical assessment will be conducted using an industry specific steam turbine.
