

# BSBSS00095 Cross-Sector Infection Control Skill Set

National ID: BSBSS00095 | State ID: AE188

## About this course

### Learn to control COVID-19 related infection for workers in all workplaces

In these unprecedented times, new regulations need infection control practices in all workplaces to protect workers from pandemic infection risk.

#### Gain these skills:

- Introduction to Infection Control
- Chain of Infection and Disease Transmission
- Breaking the Chain of Infection
- Contamination and Cleaning
- Hazards, Risks, Responsibilities and Reporting

Maintain your ability to work safely and within government requirements; or, prepare your business for compliance by including your staff in training, raising their capability in ensuring the safety of staff and customers in your workplace.

## Requirements of the course

This course includes both online study and on-campus assessment.

Once enrolled, you will receive information about how to login to our [eCampus](#) and you will need to complete a literacy and numeracy quiz to show you can study the course online. Your study will involve accessing content online for 5 study modules, followed by a series of online quiz assessments to test your knowledge.

When you finish your online study, there is a compulsory requirement to attend a practical demonstration and assessment session.

## Help using our online enrolment:

See our [guide for enrolling using our online system](#).

## SKILLS READY

Boost your skills for the future

This course can help you get ready for your first job, or re-skill quickly for jobs that are available as WA's economy recovers. **This course is absolutely free for anyone to study.** [Find out more.](#)

## Overview

*This course may be offered with a blended, flexible delivery model to enable social distancing measures to be undertaken during the COVID-19 pandemic. This approach may include a mix of online and classroom based delivery, as well as practical and work experience placements. Lecturers will provide any specific instructions if your training delivery style needs to change.*
