

# CUA51015 Diploma of Screen and Media

National ID: CUA51015 | State ID: AZL8

## About this course

### Stand out from the crowd as a digital media powerhouse!

Delve into the lively and exciting digital media industry with the Diploma of Screen and Media. This digital-savvy diploma will give you specialist knowledge, skills and hands-on experience across a wide range of screen and media technologies. Learn in an industry-standard environment with up-to-date facilities that will prepare you to excel into the ever-growing digital work space.

### Gain these skills:

- develop **digital publications**
- develop **interactive documents**
- develop **e-learning** resources
- create **animations, visual effects, and videos**
- interpret **design briefs**
- manage effective teams
- present **design ideas**
- designing for **3D printers**

Full-time attendance is equivalent to **three** days a week.

### Is this course right for you?

To be successful in this course it is recommended that you complete the Certificate IV in Screen and Media (CUA41215) or possess the following skills before you commence; Able to: design and create visual components, produce and prepare photo images, develop basic websites, effectively use Adobe software suites. Still not sure if this course is right for you? Call us on 1800 001 001 to speak with a member of the Information Technology training area who will be able to advise you on the best study pathway to meet your career goals.

**Fast Track:** Students who meet the entrance requirements for the Diploma, but who may need to build lower level skills, may complete the Certificate IV foundation skill set. This skill set consists of only the essential units from the Certificate IV, done over one term, which then leads into a three term Diploma. Ask us about this exciting option.

This is a STEM course as it focuses strengths in technology, but is also coupled with the creativity of aesthetic design.

The **Centre for IT Excellence** (CITE) provides state of the art, industry relevant training in **information technology, creative media** and **electronics**. We provide pathways from foundation studies to advanced diploma with specialist training in cyber security, systems and programming.

## Job opportunities

 [Digital Media Designer Web Designer Graphic Designer Multimedia Developer Video Editor](#)

Please note this list should be used as a guide only as job titles and qualification requirements may vary between organisations.

SM TAFE actively promotes the employment availability of course graduates to key industry partners and organisations. We also seek expressions of interest from organisations for the placement of our students into work experience. We endeavour to assist students into a career pathway, but please be aware that neither employment nor work experience placement is guaranteed by us.

To access free career planning and job search assistance, visit the [Jobs and Skills Centres](#) page.

## Fees and charges

### Indicative fees and charges

[2020 general admission fees list](#)

[2020 apprenticeship/traineeship fees list](#)

Fees and charges published on our website are indicative. Your fees will depend on your eligibility for government funding or a concession rate, and the units you choose to study or seek to be recognised under Recognition of Prior Learning (RPL). Our Indicative fees lists show fees that are:

- Based on the full possible study plan of units, including the recommended electives
- Based on full time study in 2020
- Charged at the government funded rate for over 18 years of age students
- Based on unit electives designed to meet localised industry demand for skills
- Made up of course fees and resource fees, or RPL fees. Course fees are the cost of your tuition, while resource fees pay for consumables provided to you to aid your study (such as printing and paper). You may also be required to purchase text books or equipment that are not part of our tuition or resource fees.

Fees may vary between students and between educational providers. Other charges may apply.

Visit our [Fees and payment options](#) page for more information.

Call 1800 001 001 to get a more accurate fee indication based on your eligibility and study plan before applying.

## VET Student Loans

Selected courses are VET Student Loan eligible courses.

A VET Student Loan creates a debt that must be repaid to the Commonwealth and is only available to students who are eligible.

To find out if you are eligible or to see the list of eligible courses visit our [Student Loans](#) page.

## International students

Selected courses are available to International students for full time study only.

Fees, charges, available locations, applications and enrolment procedures for International students are different to those for students who have Australian permanent residency.

For more information or to find a course visit the [TAFE International WA](#) website.

## Apprenticeships and traineeships

Fees for apprenticeships and traineeships are charged at a rate per nominal hour of study.

This means that your fees will vary depending on the units you study as part of your training plan.

Apprentices and trainees are liable to pay for their own fees but some industrial agreements (awards) dictate that employers are required to reimburse their apprentice upon receipt of satisfactory progress. An employer may also opt to pay on behalf of the apprentice or trainee.

For more information visit our [Apprenticeships and traineeships](#) page.

## **Recognition of Prior Learning**

Recognition of Prior Learning (RPL) enrolments are charged at \$3.25 per nominal hour of study.

No concession fees apply to RPL enrolments. Refer to the institutional or apprenticeship/traineeship fee lists for an indicative RPL course fee.

**Please note, fees are subject to change.**
