

AVI40216 Certificate IV in Aviation (Aviation Supervision)

National ID: AVI40216 | State ID: AZR5

About this course

Are you ready to take-off into the airport or airline industry?

When you complete the Certificate IV in Aviation (Aviation Supervision) you will be on your way to a career managing the ground operations of an airport: aircraft refuelling, customer relations, aircraft marshalling and other ground services.

This qualification provides individuals with technical and non-technical aviation skills to operate effectively in a broad range of ground operations and service roles. Our course focuses on aviation safety, airport environmental control, airline and airport operations supervision. Individuals working at this level will apply knowledge and skills to demonstrate autonomy and judgement and to take limited responsibility in operations.

You will gain the knowledge and skills needed to coordinate accident and emergency procedures, identify and respond to health, safety and security issues, and communicate effectively in the airline and airport working environment. You will acquire valuable experience of operational procedures in the modern aviation industry, including the use of technology, processing documents, and effectively deal with customers.

You will gain valuable industry workplace exposure to airport and airline operations, as well as experience in an aviation environment within our fully equipped aircraft hangar facility.

This course has been developed in partnership with the aviation industry, and provides you with a professional, non-

flying pathway to an exciting career in aviation.

Previous graduates of this course have found employment with both international and regional airports and within the broader aviation industry.

Aerospace Training Centre

South Metropolitan TAFE's AeroSpace Training Centre is the largest provider in WA offering training in aircraft maintenance and aviation. Our lecturers have diverse industry backgrounds including international licensed aircraft maintenance engineers, airline transport pilots, airport managers, flight instructors, cabin crew training managers, emergency procedures instructors, RAAF maintenance supervisors, as well as military and commercial aviators and managers.

The fully equipped hangar of the AeroSpace Training Centre at Jandakot Airport has various aircraft engines, workshop stations, computer facilities, a flight simulator, and a number of aircraft including our own Boeing 737.

Fees and charges

Indicative fees and charges

[2019 general admission fees list](#)

[2019 apprenticeship/traineeship fees list](#)

Fees and charges published on our website are indicative. Your fees will depend on your eligibility for government funding or a concession rate, and the units you choose to study or seek to be recognised under Recognition of Prior Learning (RPL). Our Indicative fees lists show fees that are:

- Based on the full possible study plan of units, including the recommended electives
- Based on full time study in 2019
- Charged at the government funded rate for over 18 years of age students
- Based on unit electives designed to meet localised industry demand for skills
- Made up of course fees and resource fees, or RPL fees. Course fees are the cost of your tuition, while resource fees pay for consumables provided to you to aid your study (such as printing and paper). You may also be required to purchase text books or equipment that are not part of our tuition or resource fees.

Fees may vary between students and between educational providers. Other charges may apply.

Visit our [Fees and payment options](#) page for more information.

Call 1800 001 001 to get a more accurate fee indication based on your eligibility and study plan before applying.

VET Student Loans

Selected courses are VET Student Loan eligible courses.

A VET Student Loan creates a debt that must be repaid to the Commonwealth and is only available to students who are eligible.

To find out if you are eligible or to see the list of eligible courses visit our [Student Loans](#) page.

International students

Selected courses are available to International students for full time study only.

Fees, charges, available locations, applications and enrolment procedures for International students are different to those for students who have Australian permanent residency.

For more information or to find a course visit the [TAFE International WA](#) website.

Apprenticeships and traineeships

Fees for apprenticeships and traineeships are charged at a rate per nominal hour of study.

This means that your fees will vary depending on the units you study as part of your training plan.

Apprentices and trainees are liable to pay for their own fees but some industrial agreements (awards) dictate that employers are required to reimburse their apprentice upon receipt of satisfactory progress. An employer may also opt

to pay on behalf of the apprentice or trainee.

For more information visit our [Apprenticeships and traineeships](#) page.

Recognition of Prior Learning

Recognition of Prior Learning (RPL) enrolments are charged at \$3.25 per nominal hour of study.

No concession fees apply to RPL enrolments. Refer to the institutional or apprenticeship/traineeship fee lists for an indicative RPL course fee.

Please note, fees are subject to change.
