National ID: SHB30516 | State ID: AZZ5

About this course

This qualification reflects the role of barbers who use a range of well-developed sales, consultation and technical skills and knowledge to provide a broad range of barbering services to clients. A delivery schedule of 1 day per week allows the student to study in conjunction with working in a hairdressing salon as an apprentice.

Learners will be required to participate in a Student Training Salon with paying clients which is open to the public. This will be a requirement for the students and forms part of the one day per week on campus training

This qualification provides a pathway to work as a barber in any industry environment, usually a barber shop or salon.

Recognition of Prior Learning is available for this qualification to qualified hairdressers.

No licensing, legislative, regulatory or certification requirements apply to this qualification at the time of publication.

- Based on full time study in 2019
- Charged at the government funded rate for over 18 years of age students
