

ICT40518 Certificate IV in Programming

National ID: ICT40518 | State ID: BEH5

About this course

Program your career!

Gain career enhancing knowledge and in-demand skills to design and develop computer programs and apps with the Certificate IV in Programming.

Gain these skills:

- programming in **Java, C#, Python**
- develop **user interfaces**
- object-oriented **programming**
- working with **databases**
- understanding **programming methodologies** and documentation
- **Arduino IDE** which implements C/C++ functions
- **website** basics

Full-time attendance is equivalent to **three** days a week.

This is a WA priority skills course so lower tuition fees apply and employment prospects are higher.

Fast Track: Students who meet the entrance requirements for the Diploma, but who may need to build lower level skills, may complete the Certificate IV foundation skill set. This skill set consists of only the essential units from the Certificate IV, done over one term, which then leads into a three term Diploma. Ask us about this exciting option.

The **Centre for IT Excellence** (CITE) provides state of the art, industry relevant training in information technology, creative media and electronics. We provide pathways from foundation studies to advanced diploma with specialist training in cyber security, systems and programming.

See our IT Training Facebook page!

Overview

Semester 1, 2020

Murdoch - Full Time-Classroom

 Duration: **12 Months**

 When: **Semester 1, 2020**

 How: **Full Time**

Units

Core

National ID	Unit Title
ICTICT418	Contribute to copyright, ethics and privacy in an ICT environment
ICTPRG402	Apply query language
ICTPRG403	Develop data-driven applications
ICTPRG404	Test applications
ICTPRG405	Automate processes
ICTPRG410	Build a user interface
ICTPRG414	Apply introductory programming skills in another language

National ID	Unit Title
ICTPRG415	Apply skills in object-oriented design
ICTPRG419	Analyse software requirements
ICTPRG430	Apply introductory object-oriented language skills

Elective

National ID	Unit Title
ICTICT403	Apply software development methodologies
ICTICT408	Create technical documentation
ICTICT420	Develop client user interface
ICTPRG407	Write script for software applications
ICTPRG413	Use a library or pre-existing components
ICTPRG418	Apply intermediate programming skills in another language
ICTPRG503	Debug and monitor applications
ICTPRG527	Apply intermediate object-oriented language skills

Entrance requirements

School Leaver	Non-School Leaver	AQF
C Grades in Year 11 WACE General English, and OLNA; or NAPLAN 9 Band 8	C Grades in Year 11 English and Maths or equivalent	Certificate II or Certificate III

Job opportunities

[Assistant Programmer](#)

Please note this list should be used as a guide only as job titles and qualification requirements may vary between organisations.

SM TAFE actively promotes the employment availability of course graduates to key industry partners and organisations. We also seek expressions of interest from organisations for the placement of our students into work experience. We endeavour to assist students into a career pathway, but please be aware that neither employment nor work experience placement is guaranteed by us.

To access free career planning and job search assistance, visit the [Jobs and Skills Centres](#) page.

Fees and charges

Indicative fees and charges

[2019 general admission fees list](#)

[2019 apprenticeship/traineeship fees list](#)

Fees and charges published on our website are indicative. Your fees will depend on your eligibility for government funding or a concession rate, and the units you choose to study or seek to be recognised under Recognition of Prior Learning (RPL). Our Indicative fees lists show fees that are:

- Based on the full possible study plan of units, including the recommended electives
- Based on full time study in 2019
- Charged at the government funded rate for over 18 years of age students
- Based on unit electives designed to meet localised industry demand for skills
- Made up of course fees and resource fees, or RPL fees. Course fees are the cost of your tuition, while resource fees pay for consumables provided to you to aid your study (such as printing and paper). You may also be required to purchase text books or equipment that are not part of our tuition or resource fees.

Fees may vary between students and between educational providers. Other charges may apply.

Visit our [Fees and payment options](#) page for more information.

Call 1800 001 001 to get a more accurate fee indication based on your eligibility and study plan before applying.

VET Student Loans

Selected courses are VET Student Loan eligible courses.

A VET Student Loan creates a debt that must be repaid to the Commonwealth and is only available to students who are eligible.

To find out if you are eligible or to see the list of eligible courses visit our [Student Loans](#) page.

International students

Selected courses are available to International students for full time study only.

Fees, charges, available locations, applications and enrolment procedures for International students are different to those for students who have Australian permanent residency.

For more information or to find a course visit the [TAFE International WA](#) website.

Apprenticeships and traineeships

Fees for apprenticeships and traineeships are charged at a rate per nominal hour of study.

This means that your fees will vary depending on the units you study as part of your training plan.

Apprentices and trainees are liable to pay for their own fees but some industrial agreements (awards) dictate that employers are required to reimburse their apprentice upon receipt of satisfactory progress. An employer may also opt to pay on behalf of the apprentice or trainee.

For more information visit our [Apprenticeships and traineeships](#) page.

Recognition of Prior Learning

Recognition of Prior Learning (RPL) enrolments are charged at \$3.25 per nominal hour of study.

No concession fees apply to RPL enrolments. Refer to the institutional or apprenticeship/traineeship fee lists for an indicative RPL course fee.

Please note, fees are subject to change.
