Course Title: ICT50418 Diploma of Information Technology Networking

National ID: ICT50418 | State ID: BEH6

About this course

Embark on the lucrative industry of networking

Take a step towards an industry with high job prospects! Gain in-demand networking skills and acquire valuable experience in current industry standards with the Diploma of Information Technology Networking.

Gain these skills:

- manage complex networks
- implement Cloud technology environments
- apply advanced Cisco routing and switching
- implement Active directories
- monitor and implement system security
- administer authentication and encryption technologies

This course has embedded studies in Cisco, Microsoft Server and VMware. South Metro TAFE has been a Cisco Academy for over fifteen years. With advanced facilities, up-to-date equipment and fully trained instructors, you will learn Networking in an industry-standard setting.

Completion of the Diploma of Information Technology Networking opens up a range of further study options including the 22445VIC Advanced Diploma of Cyber Security, and it may produce advanced standing towards a university...
Full-time attendance is equivalent to **three** days a week. This course is not available to study by applicants outside of WA.

**Is this course right for you?**

To be successful in this course it is recommended that you complete the Certificate IV in Information Technology Networking (ICT40418) or possess the following skills before you commence; Able to: install and configure servers and virtual machines, subnet, configure switches and routers, plan and install small business networks. Still not sure if this course is right for you? Call us on 1800 001 001 to speak with a member of the Information Technology training area who will be able to advise you on the best study pathway to meet your career goals.

Completion of the Diploma of Information Technology Networking opens up a range of further study options including the [22445VIC Advanced Diploma of Cyber Security](#), and it may produce advanced standing towards a university degree.

The [Centre for IT Excellence](#) (CITE) provides state of the art, industry relevant training in information technology, creative media and electronics. We provide pathways from foundation studies to advanced diploma with specialist training in cyber security, systems and programming.

**Fantastic news!**

Our state-of-the-art Training Cyber Security Operations Centre (TCSOC) is now officially open. This new facility provides a secure training environment designed to simulate realistic cyber-attacks relating to attack, defence and monitoring. The TCSOC provides a multi-campus centre based in Murdoch with ‘nodes’ at Thornlie and Rockingham campuses in order for all IT students to experience this leading edge training.

Plan your study pathway in information technology

Download the study pathway guide

Job opportunities

- Network Administrator
- Network Manager

Please note this list should be used as a guide only as job titles and qualification requirements may vary between organisations.

SM TAFE actively promotes the employment availability of course graduates to key industry partners and organisations. We also seek expressions of interest from organisations for the placement of our students into work experience. We endeavour to assist students into a career pathway, but please be aware that neither employment nor work experience placement is guaranteed by us.

To access free career planning and job search assistance, visit the Jobs and Skills Centres page.

Fees and charges

Indicative fees and charges

2020 general admission fees list
2020 apprenticeship/traineeship fees list

Fees and charges published on our website are indicative. Your fees will depend on your eligibility for government funding or a concession rate, and the units you choose to study or seek to be recognised under Recognition of Prior Learning (RPL). Our Indicative fees lists show fees that are:

- Based on the full possible study plan of units, including the recommended electives
- Based on full time study in 2020
- Charged at the government funded rate for over 18 years of age students
- Based on unit electives designed to meet localised industry demand for skills
- Made up of course fees and resource fees, or RPL fees. Course fees are the cost of your tuition, while resource fees pay for consumables provided to you to aid your study (such as printing and paper). You may also be required to purchase text books or equipment that are not part of our tuition or resource fees.

Fees may vary between students and between educational providers. Other charges may apply.

Visit our Fees and payment options page for more information.

Call 1800 001 001 to get a more accurate fee indication based on your eligibility and study plan before applying.

VET Student Loans

Selected courses are VET Student Loan eligible courses.

A VET Student Loan creates a debt that must be repaid to the Commonwealth and is only available to students who are eligible.

To find out if you are eligible or to see the list of eligible courses visit our Student Loans page.

International students

Selected courses are available to International students for full time study only.

Fees, charges, available locations, applications and enrolment procedures for International students are different to those for students who have Australian permanent residency.

For more information or to find a course visit the TAFE International WA website.

Apprenticeships and traineeships

Fees for apprenticeships and traineeships are charged at a rate per nominal hour of study.

This means that your fees will vary depending on the units you study as part of your training plan.

Apprentices and trainees are liable to pay for their own fees but some industrial agreements (awards) dictate that employers are required to reimburse their apprentice upon receipt of satisfactory progress. An employer may also opt
to pay on behalf of the apprentice or trainee.

For more information visit our Apprenticeships and traineeships page.

**Recognition of Prior Learning**

Recognition of Prior Learning (RPL) enrolments are charged at $3.25 per nominal hour of study.

No concession fees apply to RPL enrolments. Refer to the institutional or apprenticeship/traineeship fee lists for an indicative RPL course fee.

*Please note, fees are subject to change.*
