

52844WA Course in Working Effectively in an Automated Workplace

National ID: 52844WA | State ID: BGO43

About this course

Begin your career in the exciting world of automation

This introductory course will prepare students how to use data and work effectively in a workplace using automation.

Automation is just one of the Industry 4.0 trends in accelerating the efficiency of organisations, utilising new and emerging technologies to automate processes. Be ahead of the curve and ensure your path to a job of the future.

This course is ideal for apprentices looking to extend their skills as an add-on to their apprenticeship, or the units can form part of an apprenticeship. For those not already registered as an apprentice, this course is also suitable as it gives newcomers to the industry a chance to explore the world of automation.

Attendance is at Munster campus, as a **four day face to face course**, Tuesday to Friday, in Semester 2.

Free places for eligible students!

Rio Tinto are now funding places for eligible students, that have been displaced as a result of COVID-19, to study this course for free. Eligible students include displaced apprentices, individuals receiving Job Keeper or Job Seeker, or hold a valid and current concession card. This training is available from now until 31 December 2020. Please see below for upcoming dates. To enquire or apply, call 13 64 64 or email Thornlie.JSC@smtafe.wa.edu.au.

Available dates in Semester 2, 2020 are:

- October 27-30
- November 3-6
- November 17-20
- November 24-27
- December 8-11

Units included in this course:

AWADAT0001 - Use Data in an Automated Workplace

The unit investigates the types and sources of data, how data is used and why this understanding of data is vital to working effectively in an automated workplace.

AWAAUT0002 - Work in an Automated Workplace

The unit examines what an automated workplace is, how it has evolved, how it is controlled, where it can be applied, and what processes and procedures ensure it functions safely, efficiently and effectively. It emphasises the roles within an automated workplace, the communications skills needed and the importance of the human-machine-interface. The unit equips workers with the knowledge and skills to work alongside automated equipment.

Overview

This course may be offered with a blended, flexible delivery model to enable social distancing measures to be undertaken during the COVID-19 pandemic. This approach may include a mix of online and classroom based delivery, as well as practical and work experience placements. Lecturers will provide any specific instructions if your training delivery style needs to change.

Fees and charges

Indicative fees and charges

[2020 General Admission Fees List](#)

[2020 Apprenticeship/Traineeship Fees List](#)

Fees and charges published on our website are indicative. Your fees will depend on your eligibility for government funding or a concession rate, and the units you choose to study or seek to be recognised under Recognition of Prior Learning (RPL). Our Indicative fees lists show fees that are:

- Based on the full possible study plan of units, including the recommended electives
- Based on full time study in 2020
- Charged at the government funded rate for over 18 years of age students
- Based on unit electives designed to meet localised industry demand for skills
- Made up of course fees and resource fees, or RPL fees. Course fees are the cost of your tuition, while resource fees pay for consumables provided to you to aid your study (such as printing and paper). You may also be required to purchase text books or equipment that are not part of our tuition or resource fees.

Fees may vary between students and between educational providers. Other charges may apply.

Visit our [Fees and payment options](#) page for more information.

Call 1800 001 001 to get a more accurate fee indication based on your eligibility and study plan before applying.

VET Student Loans

Selected courses are VET Student Loan eligible courses.

A VET Student Loan creates a debt that must be repaid to the Commonwealth and is only available to students who are eligible.

To find out if you are eligible or to see the list of eligible courses visit our [Student Loans](#) page.

International students

Selected courses are available to International students for full time study only.

Fees, charges, available locations, applications and enrolment procedures for International students are different to those for students who have Australian permanent residency.

For more information or to find a course visit the [TAFE International WA](#) website.

Apprenticeships and traineeships

Fees for apprenticeships and traineeships are charged at a rate per nominal hour of study.

This means that your fees will vary depending on the units you study as part of your training plan.

Apprentices and trainees are liable to pay for their own fees but some industrial agreements (awards) dictate that employers are required to reimburse their apprentice upon receipt of satisfactory progress. An employer may also opt to pay on behalf of the apprentice or trainee.

For more information visit our [Apprenticeships and traineeships](#) page.

Recognition of Prior Learning

Recognition of Prior Learning (RPL) enrolments are charged at \$3.25 per nominal hour of study.

No concession fees apply to RPL enrolments. Refer to the institutional or apprenticeship/traineeship fee lists for an indicative RPL course fee.

Please note, fees are subject to change.
