

Scuba Dive in Open Water to a Maximum Depth of 18 Metres Skill Set

State ID: GAA99

About this course

This entry level SCUBA diving course teaches beginners how to dive in a safe and enjoyable manner. Once qualified, you are able to dive to a maximum depth of 18m (60ft) with another person of similar qualification or higher.

The course is held over 4 days, including a day of dive theory and equipment familiarisation, a day of learning dive skills in a controlled environment such as a swimming pool, and 2 days of diving in the ocean (with one of these days aimed to include diving off of our diving vessel, the *Maritime Image*).

You require a recreational diving medical that meets Australian standard AS4005.1

SISOSCB301A Scuba dive in open water to a maximum depth of 18m

Overview

This course will be offered with a blended, flexible delivery model to enable social distancing measures to be undertaken during the COVID-19 pandemic. This approach may include a mix of online and classroom based delivery, as well as practical and work experience placements. Lecturers will provide specific instructions to their student groups on how training will be undertaken.
