

Advanced Diving Skill Set

State ID: GAB13

About this course

This course is available to those who already have their Open Water Diver qualification, and are looking to increase their skills and confidence in the water.

There are no theory days nor pool days in this course.

Simply ocean diving - most of which will be made from our dive vessel, the Maritime Image.

Within the dives that you will complete as part of this course, you will also gain experience in deep diving, and night diving.

Overview

This course will be offered with a blended, flexible delivery model to enable social distancing measures to be undertaken during the COVID-19 pandemic. This approach may include a mix of online and classroom based delivery, as well as practical and work experience placements. Lecturers will provide specific instructions to their student groups on how training will be undertaken.
