

Advanced Diving Skill Set

State ID: GAB13

About this course

If you have your Open Water Diver qualification and looking to increase your skills and confidence in the water, then this course is for you.

The whole course is delivered on the water and all ocean dives will be made from our dive vessel, the Maritime Image.

Along with extensive diving you will also gain experience in deep diving, and night diving.

Overview

This course may be offered with a blended, flexible delivery model to enable social distancing measures to be undertaken during the COVID-19 pandemic. This approach may include a mix of online and classroom based delivery, as well as practical and work experience placements. Lecturers will provide any specific instructions if your training delivery style needs to change.
