

Cosmetic Tattooing Skill Set

State ID: GAB15

About this course

Want to work as a certified cosmetic tattooist?

This course includes the pre-requisite unit: SHBBINF001 Maintain Infection Control Standards.

Students are required to hold the unit: SHBBMUP002 Design and Apply Makeup (or equivalent) as a minimum entry level requirement to this course.

You will learn:

- Eye liner tattoo
- Eye brow tattoo
- Lip line tattoo
- Plus gain knowledge in infection control and topical anaesthetic application

You will also gain skills in eye brow design, tattoo pigment, skin analysis, Fitzpatrick types and colour theory for cosmetic tattoo application.

Students are required to provide models for practice and assessments. This will be advised by your lecturer at the first class.

A cosmetic tattoo kit for class and home use plus all other learning material is included in your course.

Free parking is available.

Security is present on the premises for evening classes.

Students are required to be able to speak and understand English.

Course outline:

Students will receive a Statement of Attainment for the following units:

- SHBBSKS003 Design and Provide Cosmetic Tattooing
- SHBBINF001 Maintain Infection Control Standards

Other Requirements:

- Black pants and black top with closed in shoes
- Hair must be off the face and tied up if long
- 2 large white towels, 1 hand towel
- A camera or mobile phone to take before and after photos
- Note book and pen
