

Basic Retaining Walls Skill Set

State ID: GAB63

About this course

Looking to get a basic knowledge of brick and block retaining walls? In this class you will learn to lay, level, set out and prepare sites for low profile retaining wall jobs. You will learn the fundamental skills and knowledge behind building retaining walls in the landscape industry.

Upcoming dates:

Wednesdays, 20 July to 26 September, 4pm - 8pm

Overview

This course will be offered with a blended, flexible delivery model to enable social distancing measures to be undertaken during the COVID-19 pandemic. This approach may include a mix of online and classroom based delivery, as well as practical and work experience placements. Lecturers will provide specific instructions to their student groups on how training will be undertaken.
