

Basic Retaining Walls Skill Set

State ID: GAB63

About this course

Now is the time to build your career

Looking to get a basic knowledge of brick and block retaining walls? In this class you will learn to lay, level, set out and prepare sites for low profile retaining wall jobs. You will learn the fundamental skills and knowledge behind building retaining walls in the landscape industry.

Upcoming dates:

Tuesday 6 October, then Mondays from 12 October to 7 December, 4pm - 8pm

Overview

This course may be offered with a blended, flexible delivery model to enable social distancing measures to be undertaken during the COVID-19 pandemic. This approach may include a mix of online and classroom based delivery, as well as practical and work experience placements. Lecturers will provide any specific instructions if your training delivery style needs to change.
