

CHC30113 Certificate III in Early Childhood Education and Care

National ID: CHC30113 | State ID: J587

About this course

Early Childhood Education and Care is an expanding sector for those with a genuine interest and passion in the care and education of young children up to the age of 5 years. The sector is demanding higher qualifications and training from educators in this field to ensure consistently high standards of education and care for children placed in these services. This can be achieved by completing the Certificate III in Early Childhood Education and Care.

You'll learn how to interact and foster the development of the children while working within legal requirements and ensuring the children's health and safety are not at risk. You will work closely with children from different backgrounds and cultures and provide care and support for them in various child care situations.

As part of this qualification you will undertake work placement where you will be able to apply the skills and knowledge you have learned.

Students are required to obtain a Working with Children Check before attending work placement.

- Based on full time study in 2019
- Charged at the government funded rate for over 18 years of age students
- Based on unit electives designed to meet localised industry demand for skills
- Made up of course fees and resource fees, or RPL fees. Course fees are the cost of your tuition, while resource fees pay for consumables provided to you to aid your study (such as printing and paper). You may also be required to purchase text books or equipment that are not part of our tuition or resource fees.

Fees may vary between students and between educational providers. Other charges may apply.
