

# MAR50613 Diploma of Maritime Operations (Marine Engineering Class 3 Near Coastal)

National ID: MAR50613 | State ID: J718

## About this course

In order to obtain this qualification you will need to have the Certificate of Safety Training, if you need to complete this short course please contact [AdminTS.Maritime@smtafe.wa.edu.au](mailto:AdminTS.Maritime@smtafe.wa.edu.au) for availability of dates.

STCW Endorsement Please note from the 31 December 2012 AMSA will no longer issue STCW Endorsements to State or Territory Marine Engine Driver Grade 1 or Engineer Class 3 certificates as AMSA is no longer satisfied that they meet the new requirements of the Manila amendments of the International Convention on Standards of Training, Certification and Watchkeeping 1978, as amended.

## Overview

### Semester 2, 2019

---

### Fremantle Campus - Full Time-Classroom

Duration: **1 Semester**

When: **Semester 2, 2019**

How: **Full Time**

## Units

---

### Core

Unit Title	National ID
Communicate effectively when performing engineering duties	MARE001
Follow vessel security procedures	MARF003
Observe personal safety and social responsibility	MARF006
Prevent and fight fires on board a vessel	MARF008
Survive at sea in the event of vessel abandonment	MARF009
Work safely in confined spaces on a vessel	MARF010
Ensure compliance with environmental management legislation	MARJ003
Apply basic principles of naval architecture	MARL002
Demonstrate basic knowledge of marine auxiliary boilers	MARL003
Demonstrate basic knowledge of marine auxiliary machinery and equipment	MARL004
Demonstrate basic knowledge of marine control systems and automation	MARL005
Demonstrate basic knowledge of marine diesel engines and systems	MARL006
Demonstrate basic knowledge of marine electrical systems	MARL007
Demonstrate basic knowledge of ships and ship routines	MARL008
Perform basic marine engineering calculations	MARL009

## Entrance requirements

School Leaver	Non-School Leaver	AQF
Completion of WACE General or ATAR (Minimum C Grades) or equivalent	Completion of WACE General or ATAR or equivalent (minimum C Grades)	Certificate III

## Job opportunities

Successful completion of this qualification will provide you with some of the requirements for certification as an Engineer Class 3 Near Coastal as defined by the National Standard for Commercial Vessels (NSCV) Part D. Certification will require achievement of the Diploma of Maritime Operations (Marine Engineering Class 3 Near Coastal), qualifying sea service and completed Australian Maritime Safety Authority (AMSA) approved task book or qualifying sea service or qualifying sea service and a workshop skill equivalent qualification, AMSA final assessment and an AMSA approved first aid certificate; people seeking certification should check with AMSA. Certification will also require either Certificate IV in Maritime Operations (Marine Engine Driver Grade 1 Near Coastal) or a trade (as specified in NSCV Part D).

For information about jobs and pathways, please see <http://joboutlook.gov.au/>

- MAR60115 Advanced Diploma of Maritime Operations (Marine Engineering Class 2), State ID AVQ3

## Fees and charges

### Indicative fees and charges

[2019 general admission fees list](#)

[2019 apprenticeship/traineeship fees list](#)

Fees and charges published on our website are indicative. Your fees will depend on your eligibility for government funding or a concession rate, and the units you choose to study or seek to be recognised under Recognition of Prior Learning (RPL). Our Indicative fees lists show fees that are:

- Based on the full possible study plan of units, including the recommended electives
- Based on full time study in 2019
- Charged at the government funded rate for over 18 years of age students
- Based on unit electives designed to meet localised industry demand for skills

- Made up of course fees and resource fees, or RPL fees. Course fees are the cost of your tuition, while resource fees pay for consumables provided to you to aid your study (such as printing and paper). You may also be required to purchase text books or equipment that are not part of our tuition or resource fees.

Fees may vary between students and between educational providers. Other charges may apply.

Visit our [Fees and payment options](#) page for more information.

Call 1800 001 001 to get a more accurate fee indication based on your eligibility and study plan before applying.

## VET Student Loans

Selected courses are VET Student Loan eligible courses.

A VET Student Loan creates a debt that must be repaid to the Commonwealth and is only available to students who are eligible.

To find out if you are eligible or to see the list of eligible courses visit our [Student Loans](#) page.

## International students

Selected courses are available to International students for full time study only.

Fees, charges, available locations, applications and enrolment procedures for International students are different to those for students who have Australian permanent residency.

For more information or to find a course visit the [TAFE International WA](#) website.

## Apprenticeships and traineeships

Fees for apprenticeships and traineeships are charged at a rate per nominal hour of study.

This means that your fees will vary depending on the units you study as part of your training plan.

Apprentices and trainees are liable to pay for their own fees but some industrial agreements (awards) dictate that employers are required to reimburse their apprentice upon receipt of satisfactory progress. An employer may also opt to pay on behalf of the apprentice or trainee.

For more information visit our [Apprenticeships and traineeships](#) page.

## Recognition of Prior Learning

Recognition of Prior Learning (RPL) enrolments are charged at \$3.25 per nominal hour of study.

No concession fees apply to RPL enrolments. Refer to the institutional or apprenticeship/traineeship fee lists for an indicative RPL course fee.

**South  
Metropolitan**

*We're working for  
Western Australia.*

**Please note, fees are subject to change.**
