

AMPA Coxswain External

State ID: S0088P

About this course

This qualification is for people working in the maritime industry seeking an Australian Maritime Safety Authority (AMSA) certificate as a Coxswain Grade 1 NC to command and operate the engines of a vessel less than 12 metres long.

The National Standard for Commercial Vessels (NSCV) Part D—Crew Competencies requires that a seafarer pass this final assessment prior to the issue of a certificate of competency. The [AMSA Mandated Practical Assessment \(AMPA\)](#) is the practical assessment of your operational skills and knowledge, and knowledge of Australian maritime legislation.

Refer to the following information for the [AMSA Mandated Practical Assessment \(AMPA\)](#).

Overview

This course may be offered with a blended, flexible delivery model to enable social distancing measures to be undertaken during the COVID-19 pandemic. This approach may include a mix of online and classroom based delivery, as well as practical and work experience placements. Lecturers will provide any specific instructions if your training delivery style needs to change.
