

Understanding Local Government- Workshop

State ID: S0115P

About this course

The Understanding Local Government unit provides participants with an understanding of the composition, structure and operational functions of Government in Australia, and in particular Western Australian local Government. It provides an overview of local government roles and functions in Western Australia and explains how local government fits into the overall structure of government in Australia.

Available face to face 2 days at our Fremantle campus (free parking available onsite).

Fees are all inclusive of course materials, assessment, Certificate of Completion and catering for face to face workshop at our campus.
