

Adobe InDesign Illustrator and Spark

State ID: S0149P

About this course

We are living in a world where everything is designed and video is king, online experiences need to be professional and engaging... are you ready to join in?

Begin your creative content creation journey with Adobe Spark + InDesign + Illustrator.

Gain these skills:

- Creating graphics, web pages, video stories and social media posts rapidly
- Design and create engaging experiences for online visitors
- Designing and developing engaging interactive publications that will complement online and print projects
- Customise your creations for a bespoke presence

This course is great for those working in industry who need to upskill quickly to enhance the content of projects, events and clients, or for someone wishing to try out a new creative career.

Overview

This course will be offered with a blended, flexible delivery model to enable social distancing measures to be undertaken during the COVID-19 pandemic. This approach may include a mix of online and classroom based delivery, as well as practical and work experience placements. Lecturers will provide specific instructions to their

student groups on how training will be undertaken.
