

Brow Lamination

State ID: S0272P

About this course

Advance your employability skills and build your treatment menu

Brow lamination is an on trend technique for redefining eyebrows through straightening and lifting by a specialised chemical process. This treatment is fantastic for those clients who have unruly/wiry hair or clients who need the appearance of more volume to their brow.

This course gives you skills in the latest brow trends and is an excellent add on to our brow and lash styling short courses. Along with the eye lash extension course, you will learn all the necessary skills to be a lash and brow queen!

Upcoming Dates

Mandurah: Monday 21 September, 6pm – 8pm, Monday 30 November, 6pm – 8pm

Murdoch: Monday 21 September, 6pm – 8pm, Monday 30 November, 6pm – 8pm

Overview

This course will be offered with a blended, flexible delivery model to enable social distancing measures to be undertaken during the COVID-19 pandemic. This approach may include a mix of online and classroom based delivery, as well as practical and work experience placements. Lecturers will provide specific instructions to their

student groups on how training will be undertaken.
