

Eyelash Extensions

State ID: S0280P

About this course

This short course will train students in how to apply, refill and remove eyelash extensions for added length and thickness of natural lashes. This course has been designed to meet the beauty industry demand for lash extensions to work in the industry.

Students will learn the latest techniques and skills from qualified beauty trainers who are currently working in the beauty industry. This course requires fine hand and eye coordination and attention to detail.

Students are required to provide models, this will be advised by your lecturer on your first class.

Course induction material with all learning material is provided to match your course.

Upcoming dates:

Mandurah Term 3 : Tuesday 18th August - 22 September 6pm to 9pm

Murdoch Term 3: Wednesday 19th August – 23rd September 6pm to 9pm

Mandurah Term 4: Tuesday 27th October – 1 December 6pm to 9pm

Murdoch Term 4: Wednesday 28th October – 2nd December 6pm to 9pm

Overview

This course may be offered with a blended, flexible delivery model to enable social distancing measures to be undertaken during the COVID-19 pandemic. This approach may include a mix of online and classroom based delivery, as well as practical and work experience placements. Lecturers will provide any specific instructions if your training delivery style needs to change.
