

Volume Eyelash Extensions

State ID: S0312P

About this course

This short course will train students in how to apply, Hybrid and 3D Volume eyelash extensions for added length and thickness of natural lashes. This course has been designed to meet the beauty industry demand for lash extensions to work in the industry.

Students will learn the latest techniques and skills from qualified beauty trainers who are currently working in the beauty industry. This course requires fine hand and eye coordination and attention to detail.

Students are to provide evidence of the previous qualification in; application, infill and removal of Classic Eyelash Extensions, either through South Metropolitan TAFE or equivalent, prior to enrolling into this course.

Students are required to provide one model week 1 and one model week 2 of the course at 7pm until 9pm

Course induction material with all learning material is provided to match your course.

Students will receive a Certificate of Participation on completion of this course.

Semester 2, 2020 dates:

Mandurah Term 4 : Tuesdays 13 October and 20 October, 6pm - 9pm

Murdoch Term 2: Wednesdays 16 June and 23 June, 6pm - 9pm

South Metropolitan TAFE also offers the short course [S0280P Eyelash Extensions](#) which trains students in how to apply, refill and remove eyelash extensions for added length and thickness of natural lashes.

Overview

This course may be offered with a blended, flexible delivery model to enable social distancing measures to be undertaken during the COVID-19 pandemic. This approach may include a mix of online and classroom based delivery, as well as practical and work experience placements. Lecturers will provide any specific instructions if your training delivery style needs to change.
