## PATHWAYS

### PROCESS OPERATIONS (OIL AND GAS) - ELECTRICAL AND INSTRUMENTATION

### SKILL SET

We also offer skill sets as part of this pathway. Skill sets are a combination of nationally accredited units to help you upskill, meet a specific set of skills for industry and they also count towards a full qualification if you decide to do further study. Please visit our website or contact us to check your eligibility.

See engineering pathways for courses that can also lead into Oil and Gas pathways.
