

Semester 1 2022 Course List

South Metropolitan TAFE plans to deliver the courses in this list (which is subject to change). Keep checking our website southmetrotafe.wa.edu.au for updates. Here are a few recommendations we make to anyone considering studying with us.

Stay up to date

We recommend you review the information on each course page prior to applying, including study modes, course availability, entry requirements, units, fees and how to apply. Courses and their units are subject to change and new courses are always being developed, so our website search remains the most reliable source of information.

Plan your study

Many of our 350 courses form part of a study pathway. We recommend you plan your study starting at your current skill level and working towards your study goal, from Certificate III to Certificate IV, for example. In most cases, your study pathway will be the same length of time had you started at the higher skill level, and yet your learning will be more manageable.

To review the study pathways, see the downloadable diagrams on the industry pages of our website, southmetrotafe.wa.edu.au. Or call **1800 001 001** or email info@smtafe.wa.edu.au for advice.

Application dates

Applications close for Semester 1, 2022 on **3 December 2021**.

Late applications close for Semester 1 2022 on **4 January 2022**.

Applications made after that will be waitlist applications for any remaining places in courses until all applications close **11 February 2022**.

Guide to terms
