

CPP30119 Certificate III in Urban Pest Management

Academic calendar 2022

Conditions of Admission

Students must

- have completed the CPPUPM3006 Manage Pests by Applying Pesticides unit (also referred to as “Unit 6”) before applying to enrol into this Qualification*
- provide a copy of their Pest Management Technician License – (Provisional License) when applying.

*If you do not currently have this unit, please apply to complete our GAC49 SKILLSET - Manage Pests by Applying Pesticides.

Location

Classes are held at our Bentley Campus and run from 08.00am to 11.00am (unless otherwise indicated*).

* For unit code “CPPUPM3042 Install Termite Management Systems” the final assessment day of this unit is delivered from our Murdoch Campus.

Times are subject to change and subject to minimum/maximum class sizes.

Schedule

Students must commence at the start of a cluster; the day of study will be determined by the commencement point and available spaces. You will be advised when enrolling.
