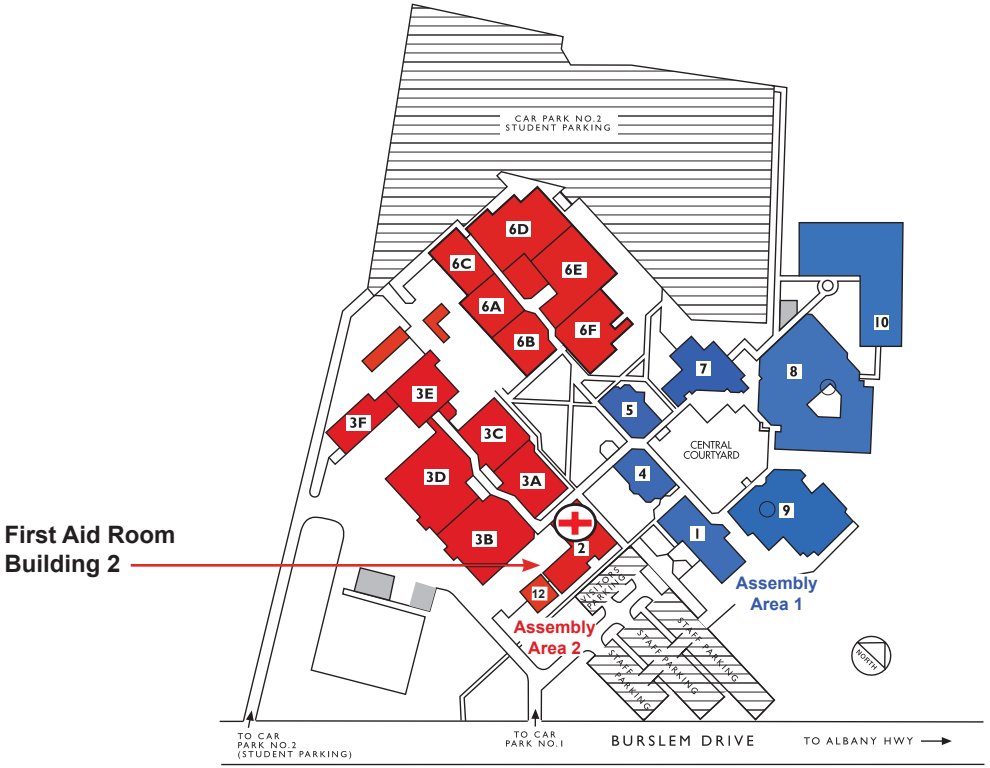
AFTER HOURS

Notify campus emergency and security telephone assistance on 9267 7666 or contact emergency services on **000**.

ASSEMBLY AREAS AND FIRST AID ROOM



If you require First Aid assistance call 9267 7555 / 0410 542 600
or call Campus Emergency and Security Assistance on 9267 7666 / 0451 534 192.

MEDICAL EMERGENCY

- Quickly assess the situation and check for danger (**do not** enter the danger area).
- Commence first aid as appropriate, if qualified and safe to do so.
- Notify and ask for First Aid assistance from a First Aid officer, each campus has people who are qualified to assist with First Aid.
- In the case of a serious incident **do not** move the injured person, unless it is to prevent further injury and, **do not** leave the injured person in the present location if it would expose them to further danger.
- Call an ambulance on **000** and state the location clearly.

Poisoning

- Raise the alarm.
- Try to identify the poison, if safe to do so.
- Ring “Poisons Information” on **13 11 26**.
- Follow directions and administer first aid as appropriate, if safe to do so.
- Seek medical attention if advised by “Poisons Information”, this may involve calling an ambulance on **000**.

Reporting

The organisation’s Accident/Injury/Hazard Report Form must be completed for all accidents that required First Aid and handed to your manager or lecturer within 24 hours of occurrence. Minor First Aid injuries are to be recorded in the minor First Aid book/register.

FIRE

Rubbish fire, Electrical fire, Oil/Fat fire, Gas fire etc

R	Remove	Remove any person from immediate danger (if safe to do so).
A	Alert	Raise the alarm by activating the break glass fire alarm (if not yet activated) if one is nearby. Notify the Campus Chief Warden. If unavailable or after hours, contact the Fire & Emergency Services on **000**.
C	Contain	Close doors and windows to contain the fire and secure area, if safe to do so.
E	Extinguish Evacuate	Attack the fire with appropriate fire fighting equipment (ONLY if trained and safe to do so). When evacuation alarm sounds or red light flashes evacuate via the nearest safest **EXIT**.

Do not re-enter the building until instructed to do so by the Floor Warden or Emergency Services Personnel

EVACUATION

On hearing an alarm or when instructed to evacuate area:

- Immediately cease all activity and secure personal valuables.
- Assist any person in immediate danger, but only if safe to do so.
- Follow instructions given by Wardens or Emergency Services Personnel.
- Prepare to evacuate when you hear the campus alert tone (possibly a beep, beep, beep...each campus has its own tone).
- Evacuate building when evacuation tone sounds or directed by the Wardens via the nearest safe Emergency **EXIT**.
- Never use a lift in an emergency.
- Go to the evacuation assembly area.
- Await instructions from a Warden or Emergency Services Personnel.

Do not re-enter the building until instructed to do so by the Floor Warden or Emergency Services Personnel

LOCKDOWN/PERSONAL THREAT

Armed/Unarmed

Lockdown Procedure

- The Chief Warden, Security or Police will initiate a lockdown.
- Immediately move to the nearest classroom or office, close and barricade doors, turn off lights, close blinds, be quiet and move away from windows. Doors are not to be opened from inside unless confirmed by the Chief Warden, Security or Police.
- **Do not** use phones or other communication systems unless instructed to do so.
- **Do not** allow anyone outside of room until the Police or Chief Warden advises you to evacuate the building or gives the "all clear".

Personal Threat Guidelines

- Always consider your safety your main priority.
- Consider the safety of others in the vicinity
- Assess the situation:
    a) Try to remain calm.
    b) Identify any potential weapons or danger.
    c) Maintain a barrier - this may be a physical barrier such as a table, counter, desk, chair or door.
    d) Keep a distance from the offender and maintain a personal space.
    e) Have an escape route in mind in case their behaviour escalates.
    f) Attempt to diffuse the situation through non-threatening verbal communication.
    g) If possible, withdraw to a secure location.
    h) Record details on the Personal Threat Checklist (see pages 7-8) as soon as possible.
- Notify Campus Emergency and Security Telephone Assistance on 9267 7666 / 0451 534 192 or activate a duress alarm if available.
- After hours, contact Emergency Services on **000**.

Personal threat checklist

- Please attempt to record as much information as soon as possible after the event.
- Please circle or write response on the next page as applicable.
- **Do not** guess - if you cannot remember details - leave blank.
- **Do not** consult others when completing this form.

INTERNAL EMERGENCY

Chemical spill, flood, power failure, structural instability etc

Chemical Spill

- Refer to Material Safety Data Sheet (MSDS) for information before attempting to clean up a spill.
- If the spill is a flammable solvent, a suffocating substance or toxic, notify all persons in immediate area, turn off all flames and electrical outlets, and evacuate the area.
- Go to the nearest area free of vapour and raise the alarm by calling Campus Chief Warden.
- If unavailable or after hours, contact the Fire & Emergency Services on **000**.
- **Do not** re-enter the affected area until given all clear by the Emergency Services Personnel.

Gas or Water Leak

- Turn off the tap or valve if possible (if safe to do so).
- Notify all persons in immediate area, turn off all flames and electrical outlets, and evacuate the area if necessary.
- Raise the alarm by calling Campus Chief Warden.
- If unavailable or after hours, contact the Emergency Services on **000**.
- Keep people away from affected area until given all clear by the Chief Warden.

Power Failure

- Raise the alarm by calling Campus Chief Warden.
- You must remain where you are, unless it is dangerous to do so, until instructed otherwise.
- The Campus Manager will advise you if an evacuation is required. If power is likely to be off for an extended period, a senior member of the executive will advise of a campus shut down.

EXTERNAL EMERGENCY

External gas leak, civil disturbance, vehicle accident etc

- Quickly assess situation and check for danger (**do not** enter danger area).
- Raise the alarm by calling Campus Chief Warden and explain what sort of emergency it is and how it will affect us.
- If Chief Warden is not available, call Emergency Services on **000** and state the emergency and location clearly.
- Follow instructions given by the Chief Warden or Emergency Services personnel.
- Commence first aid as appropriate, if qualified and safe to do so.
- In the case of a serious accident **do not** move the injured person except where necessary to prevent further injury or to remove from immedicate danger.
- Keep uninvolved people away.
- The Chief Warden will advise you if an evacuation is required.
- After hours call security for assistance.

BOMB THREAT

Telephoned threat, suspicious package etc

Receiving a phone threat

- If still speaking with the caller raise the alarm by attracting the attention of a passer-by so they can contact Campus Management.
- If unavailable or after hours, call the Police on **000**.
- **Do not hang up the phone, even after caller has hung-up.**
- Try to keep the caller talking.
- Fill out the Bomb Threat Checklist (see page 12).
- Remain at the phone until relieved.
- **Do not** evacuate the building unless directed by the Campus Management or Emergency Services.
- All mobile phones must be turned off.

SUSPICIOUS PACKAGE OR CHEMICAL THREAT

Unclaimed bag, package, box, container etc

- **Do not** touch or move anything.
- Move away and prevent anyone from entering the area – isolate it.
- Raise the alarm by calling Campus Management.
- If unavailable or after hours, contact the Police on **000**.
- Remain calm and follow instructions from the Campus Emergencies personnel.
- **Do not** evacuate the building unless directed by the Wardens or the Police.

Bomb threat checklist - note and record as many details as possible based on questions outlined below.

1	**Questions to be asked**	
	Which campus is it in?	
	When is it set to explode?	
	Where did you place it?	
	What kind of bomb is it?	
	Why are you doing this?	
	Who are you?	
	Exact words used...	
2	**Observations about the voice**	
	Speaker was	Male Female Child
	Age	Very young Adolescent Adult Old
	Sobriety	Normal Intoxicated Drugged
	Speech	Normal Stammer Slurred Lisp
	Accent	Incoherent Well spoken Abusive Irrational
	Message sounded like it was being read by the caller	Yes No
	Was the message recorded?	Yes No
	Other	
3	**Observations about the call**	
	Did it sound like it was a public phone?	Yes No
	Did you hear any background noises?	Music Children Talking Traffic Machinery Aeroplanes Harbour Other
	Call received by	Name At __:__am/pm
	Call received on	Line number Extension
