

Looking for an exciting, rewarding and long term career?

The Women in Defence Industry Scholarship provides six months of free technical engineering and electronics training to prepare you for employment in WA's booming defence industry.

Participants get to experience the defence industry with four weeks of work placement. Answer the questions below and send this form along with your CV and record of your highest study to WID@smtafe.wa.edu.au.

QUESTIONS:

1. What do you hope to achieve from this course?

2. What are your personal skills and qualities? Please provide examples where appropriate.

3. How will this scholarship assist in developing your career in the Defence industry?

4. Do you have any achievements in areas other than work or study?

5. Outline any previous or current workplace experience and describe your role(s)?

4. What is the highest level of education you have achieved?
