Are you considering a career in digital engineering?
Take a step towards your dream career with our engineering taster course! Designed to be completed quickly, this course provides students with a taste of what it would be like to study and work in the engineering field. Practical tasks will guide students in learning safe workplace practices, basic engineering skills and programming skills.

So why wait for 2020? Try our 2019 Engineering Taster program now!

Unit of competencies covered in this taster course:
• UEENEEE101A - Apply Occupational Health and Safety regulations, codes and practices in the workplace
• UEENEEH115A - Develop software solutions for microcontroller based systems (Release 1)

Course Details
When:  Group 1 - Monday to Friday, 4 November 2019 through to 8 November 2019
       Group 2 - Monday to Friday, 11 November through to 15 November 2019
Where: South Metropolitan TAFE Munster campus
       9 Gardiner Avenue, Munster WA

This program will be offered over 1 week, Monday to Friday. Classes run from 9.00am - 3.30pm, with a 30 minute lunch break.

Class size: Maximum 20 students. Class may be cancelled if the number of applicants cannot meet the minimum.

Future Pathways
This taster course prepares you for a number of different engineering pathway options to study at South Metropolitan TAFE. Future pathways include:

VET in schools program
• MEM30505 - Certificate III in Engineering Technical (Munster campus)
• UEE21911 - Certificate II in Electronics (Rockingham campus)

Additional pathways under fulltime study
• UEE62111 - Advanced Diploma of Engineering Technology - Electrical (Munster campus)
• UEE20511 - Certificate II in Computer Assembly and Repair (Thornlie or Rockingham campus)
• UEE40111 - Certificate IV in Computer Systems (Thornlie campus)
• UEE40711 - Certificate IV in Electronics and Communications (Thornlie campus)
• UEE50111 - Diploma of Computer Systems Engineering (Thornlie campus)
• UEE50511 - Diploma of Electronics and Communications Engineering (Thornlie campus)
• MEM30505 - Certificate III in Technical (Munster campus)
• UEE21911 - Certificate II in Electronics (Thornlie or Rockingham campus)

When you complete an Advanced Diploma course through South Metropolitan TAFE, you will be eligible for entry to certain university pathways.

Apply now! Chat to your school VET coordinator or email us at vetdss@smtafe.wa.edu.au.
