Study Health Science part-time at Bentley and Murdoch campus

52722WA Certificate IV in Health Science Foundations

Are you working full time but still want the chance to study or further your career in the health industry?

Course details

52722WA Certificate IV in Health Science Foundations is now available part-time with classes held at night.

This course provides the academic knowledge for entry into the HLT54115 Diploma of Nursing or other health disciplines and can also be a pathway to further health studies at university level.

You will gain the knowledge and skills to ease comfortably into studying nursing, with an understanding of anatomy, physiology, microbiology, infection control, applied mathematics, physics and chemistry.

Duration: One year

Location:
- Bentley campus, Hayman Road Bentley.
- Murdoch campus, 130 Murdoch Drive, Murdoch.

Classes: 6:00pm - 9:00pm once a week.
Tutorials are available online.
