COURSE AIMS

• Foster an understanding of career opportunities in the oil and gas, mining or chemical processing industries
• Develop technical and practical skills
• Learn foundation engineering design principals, technology and practices
• Assist students with a pathway to employment or higher level qualifications

COURSE DESCRIPTION

Upon completion of Certificate III Process Manufacturing, students could receive the opportunity to undertake apprenticeship and traineeship opportunities in the oil and gas and resources sector or go on to complete higher level studies. Students completing an advanced diploma are granted one year advanced standing on the pathway to a Curtin University degree.

Scholarship students will also have the option to complete the Certificate II in Process Plant Operations (PMA20116) fully funded, in addition to the Certificate III in Process Manufacturing.

COURSE DETAILS

Course: MSM30116 Certificate III Process Manufacturing
*Optional: PMA20116 Certificate II in Process Plant Operations
Duration: 20 weeks full time, commencing Monday 22 July 2019
Location: Munster Campus, 9 Gardiner Avenue, Munster

ENTRY REQUIREMENTS AND LEARNING ENVIRONMENTS

Applicants are required to be female, Australian residents and must be competent in communication and mathematics. These skills are equivalent to completion of Year 10, but may also be achieved through previous work or informal learning experiences. The course has been designed to meet the needs of women who are returning to work, seeking a career change or alternative pathways to university. The learning environment is structured to provide a high level of support for students returning to formal education.
2019 SCHEDULE

APPLICATIONS OPEN
Tuesday 30 April 2019

APPLICATIONS CLOSE
Wednesday 29 May 2019

FIRST OFFERS
Week of Monday 24 June 2019

COURSE BEGINS
Monday 22 July 2019

APPLICATIONS
All applications must be submitted by Wednesday 29 May 2019. To apply, use the form on the website www.southmetrotafe.wa.edu.au/womeninengineering

INTERVIEW PROCESS
Once applications close, a panel will shortlist applicants and extend invitations for interviews. The panel will consist of SM TAFE and Chevron Australia representatives. During the interview process, applicants will be requested to complete a maths and literacy aptitude test.

COURSE TIMETABLE
Students are required to attend Munster Campus for 20 weeks full time, commencing Monday 22 July 2019. Attendance hours for students completing Certificate III in Process Manufacturing (MSM30116) only are 8:30am to 3:30pm, Tuesday to Friday. Students also completing the additional Certificate II in Process Plant Operations (PMA20116) will attend the course 8.30am to 3.30pm, Monday to Friday. Consultations and site visits are scheduled within these times.
